Family Room

Are you visiting the campus with your children?

Make sure to stop by our Family Room, which provides a space for playing, feeding, changing the nappies, or simply resting.

> *My first time entering the Family Room made my heart sing. The room is full of nature objects, wooden design, and a warm aesthetic that feels inviting, calming, and exciting all at the same time. As a mum of two toddlers, having a free, quiet, accessible space next to work was a delight when returning back to work at Edinburgh.*
